Why Choose products of **giri brothers.**

- 1) All the scales are tested up to full load (apart from the other test)
- 2) All commercial weighing machines & measures, will be accompanied by verification certificate , issued by the department of legal metrology, valid through out tamil nadu ,government of india. (For other states in India, we will arrange our network , for the stamping)
- 3) Warranty & service support– We assure you the best after sales support. Our reputation is service . We offer service at your door step(Chennai only), for our industrial range of products. We stock enough spares (10 years minimum) , eliminating the disadvantage of an International brand.
- 4) After the warranty period , we would remind you with the renewal of your w& m certification. Periodical maintenance schemes also available.
- 5) We will not make you press 1 ,2 , 3 's on your telephone to register a complaint.

The most important thing , we were listening to the customers for the past 41 years, and we will have someone to render service , in the future decades to go.
